

# Learning for Living

## CARERS QUESTIONNAIRE RESULTS

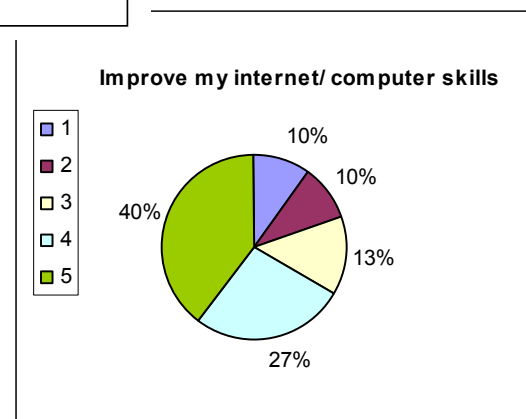

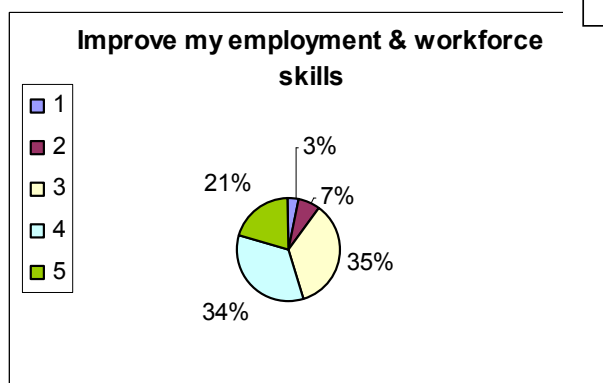

30 carers completed anonymous feedback questionnaire near the completion of the course.

The results show the positive changes that took place for the carer as a result of undertaking the learning. It also shows that carers generally found the online learning materials to be easy to use.

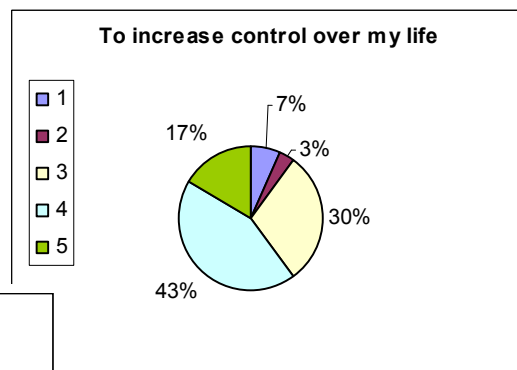

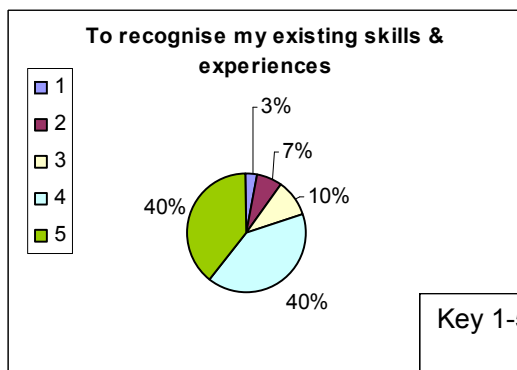

### *Learning for Living helped me.....*

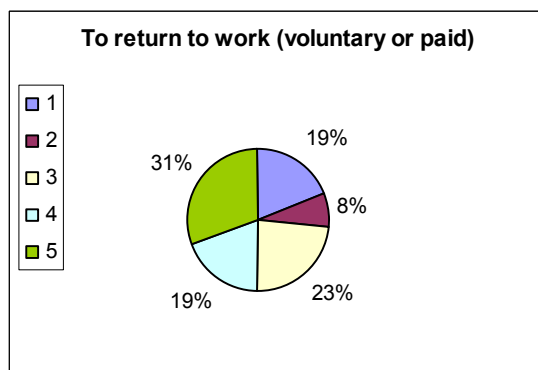

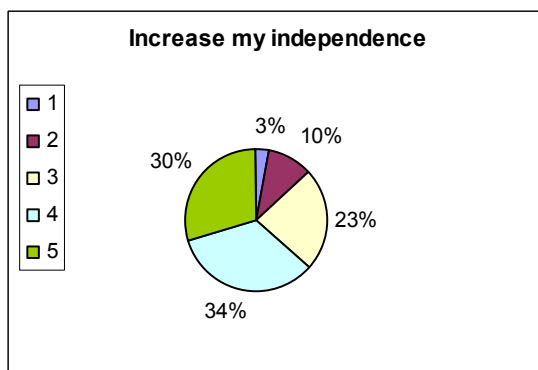

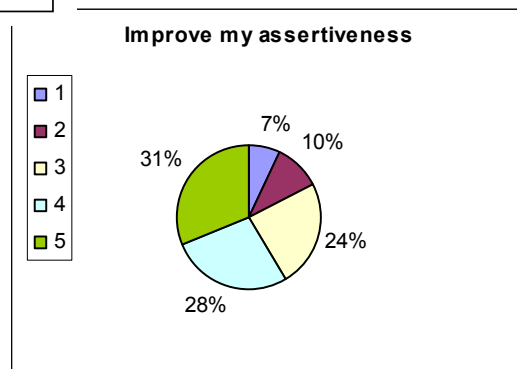

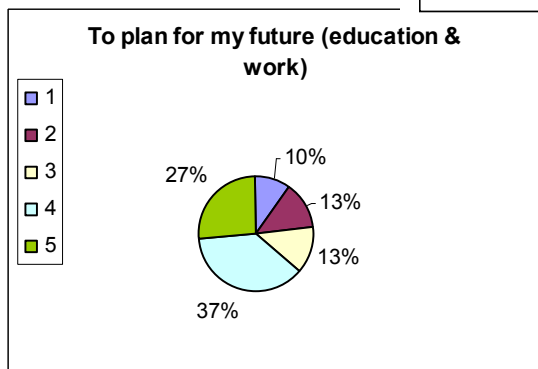

**Key 1-5**  
 1 – Did not help me  
 5 – Helped me a lot
